Mandir N...

Pledge R...

Hari Aum,

Prostrations to Lord Sri Ram !

Some of you may wonder, whether the Mandir organization is hibernating in Summer !!

No; The works are going on, silently, to attain our goal. Everything has to have a time....

1. As mentioned earlier, the CRA evaluation is underway, we need to build the required image and publicity. The attached article in 'Fort McMurray Today' is a culmination of our strenuous effort in that direction.

2. We also received a 'Letter of Appreciation' from the Heritage Park for our wonderful participation in the community efforts.

We hope, with this aura of a community organization, getting approval from CRA may not be difficult.

3. We are continuing our efforts to find a suitable land within our capacity. If anyone has any suggestions, please do not hesitate to contact any of the executive committee members.

4. The pledge collection remained stagnant for the last few weeks. This is primarily due to the disappointment of loss of opportunity on the proposed Land. The final pledge total is attached for your information.

5. As soon as we receive CRA approval for tax exemption, we shall start our Fund realization/collection effort from the pledges received.

6. Any Mandir organization has to keep the spiritual momentum among the patrons. It is our responsibility to nourish and empower our community with spiritual knowledge. In this respect we will organize a MahaPooja and Spiritual discourses in the coming months.

In the meantime, the Mandir Committee sincerely thanks all Life Members and Pillar Patrons for their patience and support in this '*Bhageerath Prayagna*' of building the Mandir in Fort McMurray.

Sincerely with love,
Your Sevaks,

Sanatan Mandir Executive Committee
In the service of Lord and the Community
