

Hari Ohm,

Fort McMurray has been a place of fortunes for all Indians.

This *Bhumi Devi* is a '*Dhana-Dhanya- Vara Lakshmi*' for all nationalities, who came here for work. Each one of us received her blessings, and are still making money.

Now, don't you consider it as our moral responsibility to return a little portion of that wealth to Lakshmi Devi?

As Vivekanandji emphasized, NO two watches will show the same time, each individual is different; some of them may be slow starter and require constant push; but how much we can wait for you to join the mainstream?

Fort McMurray is one of such place where we have lot of floating population; There were several attempts in the past 20 years on Mandir - each time it failed- that is why we are still struggling;

Century mark contribution (\$) we achieved in less than 4 weeks! That is a great achievement;

But it is not a time for REST or pause - We have to go fast and keep this enthusiasm alive and vibrating through the veins of each and every Indians in Fort McMurray!

Let each house chant 'mandir' word, every day, 100 times...

Uthishtatha Jagratha Prapya Varaan Nibodhatha.... (No rest until the goal is achieved...)

Brothers and sisters...this time we should not allow this effort to fail;

Please come, join and contribute....

The status of contribution (as on Dec 12) and the last meeting minutes attached. Please notify us for any mistakes or errors.

With love,

Warrier
