Vish Warrier,

President, SMCS of Fort McMurray.

Dear Vish,

I just wanted to take to opportunity to thank you and the group of five that you brought to work in the soup kitchen on Dec 9, 2011. As I understand from everyone, you provided a great service and our volunteers enjoyed having you with them. We appreciate you thinking of us as we work to provide a hot meal to the less fortunate and show them God's love. We pray that God will bless you all because of your willing hearts and hope to see you again sometime in the future.

In Christ,
